Personal information

First name(s) / Surname(s) **Laura Neri**
Telephone(s) +390577 235083 (Office)
E-mail laura.neri@unisi.it

Nationality Italian

Date of birth 27 February 1970

Gender Female

Professional position

2005 – present Assistant Professor in Statistics for Economics at University of Siena

Work experience

Teaching (undergraduate courses)

March 2005-present

Occupation or position held Permanent lecturer
Main activities and responsibility Statistics for business
Name and address of employer University of Siena, Siena
Type of business and sector Education

January 2010 – January 2012

Occupation or position held Permanent Lecturer
Main activities and responsibilities The SAS Software to analyse sample survey data
Name and address of employer University of Siena, Siena
Type of business or sector Education

March 2008 – March 2009

Occupation or position held Permanent Lecturer
Main activities and responsibilities Statistics for Economics
Name and address of employer University of Siena, Siena
Type of business or sector Education

March 2003 – March 2004

Occupation or position held Temporary Lecturer

Main activities and responsibilities Inferential Statistics

Name and address of employer University of Pisa, Pisa

Type of business or sector Education

January 2000-December 2000

Occupation or position held Temporary Lecturer

Main activities and responsibilities Statistics

Name and address of employer University of Sassari¹, Sassari

Type of business or sector Education

November 1995 –December 1999

Occupation or position held Teaching assistant

Main activities and responsibilities Statistics for Economics; Sampling survey, Social Statistics, tutoring several undergraduate students

Name and address of employer Department of Quantitative Methods, University of Siena

Type of business or sector Education

Teaching (graduate courses)

November 2009-Dicember 2009

Occupation or position held Temporary Lecturer

Main activities and responsibilities Statistics and Probability

Name and address of employer International Doctoral programme in Economics, Scuola Superiore Sant'Anna di Pisa

Type of business or sector Education

November 2008-Dicember 2008

Occupation or position held Temporary Lecturer

Main activities and responsibilities Statistics and Probability

Name and address of employer International Doctoral programme in Economics, Scuola Superiore Sant'Anna di Pisa

Type of business or sector Education

March 2008

Occupation or position held Temporary Lecturer for PhD programme in Economics, Market and Institutions

Main activities and responsibilities Statistics

Name and address of employer Institute for Advanced Studies (IMT) Lucca

Type of business or sector Education

November 2002-February 2003

Occupation or position held Temporary Lecturer

Main activities and responsibilities Inferential Statistics

Name and address of employer International Doctoral programme in Economics and Management, Scuola Superiore Sant'Anna di Pisa

Type of business or sector Education

2000-2005

Occupation or position held Temporary Lecturer

Main activities and responsibilities Econometric application using STATA

Name and address of employer The Interuniversity Center for Econometrics (CIdE, Bologna)

Type of business or sector Education

Teaching for adult

February 2003-March 2003

Occupation or position held Lecturer
Main activities and responsibilities Datamining for business
Name and address of employer Società per il Polo Scientifico e Tecnologico (Livorno)
Type of business or sector Education

5-15 November 2001

Occupation or position held Lecturer
Main activities and responsibilities Theory and Applications of Household Panel Surveys (ME-SOC-105_E)
Name and address of employer Training of European Statisticians Institute (TES), Malta
Type of business or sector Research Institute

June 1997

Occupation or position held Lecturer
Main activities and responsibilities Training course in "Statistics for poverty analysis and life conditions" for researcher of the Comisia Nationala pentru Statistica (CSN) of Bucharest at the CRIDIRE (Interdepartmental Research Center of Income Distribution) University of Siena
Name and address of employer Eurostat, Luxembourg
Type of business or sector Research Institute

Other professional activities and Grants

2014

Occupation or position held Consultant
Main activities and responsibilities Poverty & Inequality Mapping in Albania. For the Project Coordination Unit "Social Services Delivery Project", Tirana, Albania.
Name and address of employer World Bank
Type of business or sector Bank

2008-2011

Occupation or position held Consultant
Main activities and responsibilities SAMPLE - Small Area Methods for Poverty and Living Conditions Estimates. Project/Contract No: EU – FP7 - SSH-2007-1 Grant Agreement no 217565
Name and address of employer European Commission, Brussels
Type of business or sector EU authority

2008

Occupation or position held Consultant
Main activities and responsibilities Project 2008/s 105-140310 "Methodological studies and quality assessment of EU-SILC"
Name and address of employer Eurostat, Luxembourg
Type of business or sector Research Institute

2006

Occupation or position held Consultant
Main activities and responsibilities (2005/S 116-114302), EU-SILC. Lot 1 (Methodological studies to estimate the impact on comparability of the national methods used); Lot 2 (Advance estimation methods).
Name and address of employer Eurostat, Luxembourg
Type of business or sector Research Institute

2005

Occupation or position held Consultant
Main activities and responsibilities Poverty and Inequality Mapping in three Regions in Italy
Name and address of employer Regione Toscana and Fondazione Cattaneo (Bologna)
Type of business or sector Local authority and Research Institute

December 2003 –March 2005

Occupation or position held Consultant

Main activities and responsibilities "Regional Indicators to Reflect Social Exclusion and Poverty", call for tender DTI-2003-43 European Community –DG Employment and Social Affairs-

Name and address of employer European Community –DG Employment and Social Affairs
Type of business or sector EU authority

Jan 2002 –December 2003

Occupation or position held Consultant
Main activities and responsibilities Statistical Services in the Field of EU-SILC, Statistics on Income and Living Conditions. 2001/S 183-125349. .LOT 2: Development of Appropriate modelling or imputation to Construct the EU-SiLC Target Income Variables for each EU Member States.

Name and address of employer Eurostat, Luxembourg
Type of business or sector Research Institute

Jan 2002 –December 2003

Occupation or position held Consultant
Main activities and responsibilities Poverty & Inequality Mapping in Albania. For the Project Coordination Unit "Social Services Delivery Project", Tirana, Albania.

Name and address of employer World Bank
Type of business or sector Bank

Jan 2001 – July 2002

Occupation or position held Consultant

Main activities and responsibilities Statistical services in the field of income, poverty and social exclusion and the new instrument on income and living conditions replacing the ECHP, reference 2000/S 145-095181. This project is being undertaken by ORC Macro International Social Research which is a division of ORC International Ltd., on behalf of Eurostat, the Statistical Office of the European Communities.

This project is divided into four Lots as follows:

Lot 1: The new instrument on income and living conditions replacing the ECHP1 – The questionnaire and related concepts / classification.

Lot 2: Methodological manual on income statistics for EU Member States.

Lot 3: Social Reporting: 2nd report on Income Poverty and Social Exclusion in the European Union.

Lot 4: The new instrument on income and living conditions replacing the ECHP - The sample.

Name and address of employer Eurostat, Luxembourg

Type of business or sector Research Institute

Type of business or sector Research Institute

October 1999- December 1999

Occupation or position held Grants - Visiting Researcher

Main activities and responsibilities Working on the Project "Imputation on missing data on BHPS"

Name and address of employer ESRC Research Centre on Micro-social Change, University of Essex, UK

Type of business or sector Education

November 1995 -October 1998

Occupation or position held Grant- Research Assistant

Main activities and responsibilities Building a statistical package for the multidimensional analysis of living conditions (SIAP: Sistema Integrato Analisi Povertà). Work developed using SAS System

Name and address of employer University of Siena, Monte dei Paschi of Siena, Saped, Fienziel

Type of business or sector University and Local authority

Education and training

1996-1999s

Title of qualification awarded Ph.D. degree

Principal subjects/occupational skills covered Applied Statistics

Name and type of organisation providing education and training University of Florence

Level in national or international classification obtained

1989-1994s

Title of qualification awarded Degree in Statistical and Economic Sciences

Principal subjects/occupational skills covered Statistics in social science and economics

Name and type of organisation providing education and training University of Siena

Level in national or international classification Laurea Maxima Cum Laude

Technical skills and competences : living conditions measures with special reference to poverty analysis. Analysis and treatment of non sampling error in sample surveys, particularly interviewer effect and treatment of incomplete data. Statistical matching of different data sources (Census, Surveys, Administrative data, etc...), particularly, during this last period matching between sample survey and census for poverty mapping. Models for longitudinal data, with applications in the context of living condition analysis and labour market. Measures and models for evaluating the higher education system.

Computer skills and competences Microsoft Office, SAS, STATA, Gauss
